The informality regarding the payment of the fee in connection with  the original filing fee  the amendment filed 8-2-00 is indicated below.

3.  The amendment has not been entered, since applicant has failed to remit (or authorize charge to a Deposit Account) the fee as indicated on the attached Patent Application Fee Determination Record. Remittance or authorization is due within the period set below.

**LETTER OF EXPLANATION**

I believe that I required a two (2) month extension, for which, accordingly to the Fee Transmittal for FY 2000 Form, required a payment of \$190.00. Without explanation, the Patent Office sent me correspondence indicating that \$380.00 was required. Since I am a small entity (and my Small Entity form has previously been filed), I believe the Patent Office's claim of \$380.00 is incorrect.

I have enclosed a cashier's check for \$380.00. If that amount is too large, please credit my account. If that amount is insufficient, please take the underage from my account, as requested in my Fee Transmittal.

One final point. Apparently the serial number of my Application is 09/442,187. In some correspondence, including the Motion for Reconsideration and Motion to Amend, filed August 2, 2000, I referenced it as 09/422,837. I request that those portions of my filings be amended to reflect the correct serial number.

Respectfully submitted this 9<sup>th</sup> day of October, 2000.
